Time for an update!

Here we go.

• Your L227 Bargaining Committee has been busy. We completed the Bargaining Survey and it went “live” the week of March 6th, 2018.
• On March 23rd, 2018 we met all day at the CUPE Atlantic Office to review the data we collected from the Bargaining Survey. That data will be used when we put together our Bargaining Proposal.
• On April 4th, 2018 at our April Regular Membership Meeting, held at the CUPE Atlantic Office, the results of the Bargaining Survey were shared with the members in attendance.
• On April 13th, 2018 the L1431 and L227 Bargaining Committees met all day at the Doubletree Hlfx-Dart Hotel to discuss Common Proposals that the two Locals may bring forward, together, to the bargaining table.
• On April 16th, 2018 we met all day at the CUPE Atlantic Office to work on our Bargaining Proposal. When completed, we will be presenting this to the members at a Ratification Meeting. Look for future updates on this meeting!
