CUPE LOCAL 227 BARGAINING BULLETIN

#3

Ratification was a No go…….

Time for an update. The L227 Bargaining Committee continues to be busy.

- On April 25th, 2018 we met all day at the CUPE Atlantic Office to work on our Bargaining Proposal.
- On May 24th, 2018 we met all day at the Unifor Office in Chain Lake with L1431’s Bargaining Committee to follow-up on joint bargaining proposals.
- On June 6th, 2018 we presented the Bargaining Proposal to the members at a Ratification Meeting at Cole Harbour Place. The members in attendance voted NO to the Bargaining Proposal and gave important feedback to the Bargaining Committee to review and make changes to the Bargaining Proposal.
- On June 25th, 2018 we met all day at the CUPE Atlantic Office to discuss the feedback from members and to make changes to the Bargaining Proposal.
- There will be another Ratification Meeting in July 2018 to bring the revised Bargaining Proposal back to the Membership for review and vote. Once the date and location are confirmed notice will be posted.

We want to remind Members that the Bargaining Proposal must be passed before the Bargaining Committee can start to bargain with the Employer therefore it is very important that as many members as possible attend and make their vote known.
